### **School Bell Memorial Project**

Donations are requested for the Washington Elementary School Bell Memorial Project. Plans are to construct a monument in the village park, using bricks from our beloved Washington Elementary Building and the 1876 school bell. Professional contractors have offered to donate their labor. The Lindsey Lions have collected \$2,150 to date, the estimated cost is \$3,000. Donations can be made out to the Lindsey Lions Club (with school bell written on the check memo) and mailed to Becky Baker PO Box 207 Lindsey, Ohio 43442. Or contact Barb Opelt at 419-665-2532.

Our special thanks to all those who have already donated.

### **Change a child's story. Become a CASA.**

Have you been looking to give back to your community in a way that will make a lasting ripple effect? Children in foster care who have a CASA volunteer are more likely to succeed in school, adjust better to change, and they are half as likely to re-enter the foster care system later. As a volunteer, you can make all the difference for a child who has experienced abuse or neglect in your community! Get involved. The next volunteer training will take place April 20 at 5:00 PM at CASA's Tiffin office (21 Court Street, Tiffin). To find out more information about CASA or to receive an application, visit CASA's website at casaofssw.org or call 419-448-1442.
